### **FALL 1947**

OF

**1 YEAR LINERS**

**RHODODENDRONS**

**2 YEAR LINERS**

**AZALEAS**

and

**SPECIMEN B & B STOCK**

In the following list are included, for the first time since 1941, many items in short supply. This stock has been reserved to allow us to bring it to that state of perfection which you have in the past associated with Koster's Nursery and we now feel confident that if you care to order any of the plants herein listed, they will give you complete satisfaction. We have a small but particularly fine block of **2 Year Old Rhododendrons**, a fair quantity of excellent plants of **Azalea Kaempferi Hybrids**, and **Finished Taxus** in both **Hatfield**, **Hicksi**, and **Cuspidata Spreading**. Both our one and two year liners have never looked better, and we would particularly draw your attention to the **Grafted Red Maples**, **Grafted Pink Dogwood**, and **Grafted French Lilacs**. In the conifer liners, the **Taxus Hicksi** both 1 and 2 years, and the **Juniper Pfitzeriana** of the same age call for special mention. We would strongly suggest that if any of the items are of interest, that you let us know without delay. We shall be happy to reserve any item, if still available, against your detailed shipping instructions, for either fall or spring 1948 delivery.

# HYBRID RHODODENDRONS

These plants, the first we have had to offer since 1941, are of outstanding quality. They are the fore-runners of much larger quantities now under propagation for next year. 2 years transplanted, field grown.

100	ALBUM ELEGANS.	White
400	CATAWBIENSE GRANDIFLORUM.	Lilac
1,800	DR. DRESSELHUY.	Red
300	MRS. C. S. SARGENT.	Light red
400	PRESIDENT LINCOLN.	Deep lavender
1,500	ROSEUM ELEGANS.	Orchid Pink

A rapid growing tall variety, recommended for backgrounds. Buds are flesh color, and flowers open blush fading to white. Extremely hardy.

A rosy lilac hybrid of good compact habit. Buds heavily and is extremely hardy.

The best tall growing hardy red variety. Fine trusses of very large red flowers. Very hardy.

An excellent variety of compact, bushy habit. Splendid hybrid for mass plantings as it is a brilliant color and completely hardy.

One of the most easily grown hybrids of this color. Tall, completely hardy.

The outstanding variety, and one which can be relied upon to succeed under the most adverse conditions. A heavy budding type which produces compact globular specimens.

All the above varieties priced at \$1.75 per plant,  
\$16.50 per 10 and \$150.00 per 100

## ONE YEAR LINERS

All this stock has been either rooted or grafted between November 1946 and March 1947. Early in March this year it was lined out on prepared beds, where it is now growing under irrigation. The development of all stock is excellent, and we feel sure that these plants cannot fail to give you every satisfaction. They can be shipped to any part of the country, bare root. We pay very special attention to the packing of these plants to ensure their safe arrival in good condition

**TERMS AND CONDITIONS OF SALE**

**ORDERS:** State size desired and give specific shipping instructions—whether by freight, express or motor, date of delivery and to whom notice of delivery and invoice are to be sent. If no shipping instructions are included, we will ship by best carriage. If no date is specified, we will ship at once or as soon as weather or conditions of plants allow.

**LINING-OUT STOCK:** Lining-out material is shipped bare root with the roots puddled and protected with damp moss. Azaleas and Rhododendrons having a natural ball are protected with paper.

**SPECIMEN PLANTS:** All specimen stock is shipped balled and burlapped except small Boxwood and Lilacs. These items are mossed.

**TRANSPORTATION:** All shipments are adequately packed and shipped over the Central New Jersey or Pennsylvania Railroads, or by motor freight.

**PRICES:** We quote 1 to 50 plants of ONE KIND at the 10 rate, 50 to 300 at the 100 rate and over 300 at the 1000 rate. Packing at cost of material.

**TERMS:** Orders from people unknown to us will be shipped

C.O.D. unless arrangements for credit are made in advance. Regular accounts are due net cash 30 days from date of invoice.

**GUARANTEE:** Our stock is true to name and is of size and quality represented. We give no warranty, expressed or implied, as to description, quality, productiveness, or any other matter of any nursery stock, seeds, bulbs we sell, and we will not in any way be responsible for the crop. No liability is assumed for failure or delay in filling orders due to strikes, accidents, crop failures or shortages and other causes beyond control of seller.

**INSPECTION:** All plants shipped OUTSIDE the Japanese Beetle Quarantine ARE accompanied with a Japanese Beetle Certificate. Shipments inside the Japanese Beetle Quarantine Zone will NOT have a Japanese Beetle Certificate unless requested. All shipments ARE accompanied with a New Jersey Certificate of Health.

**CLAIMS:** If stock is unsatisfactory claim should be made promptly upon receipt of goods. No claims will be allowed after 10 days from receipt of goods. If purchaser does not accept goods on above conditions they must be returned at once.
